Research Experience

Developmental Neuroscience Research in the SYNC Lab (Erasmus University Rotterdam & Leiden)

June - July 2026

Undergraduate Research - Cardiac MRI Research (BIDMC/Harvard Medical School)

June - August 2025

- Researched prognostic value of right ventricular function in hypertrophic cardiomyopathy using cardiac MRI feature tracking and survival analysis.
- Primary author of accepted abstract submission for SCMR 2026.

Lutgens Lab University of Amsterdam / Laboratory Assistant

June 2019 - September 2020

- Analyzed histological sections of atherosclerotic plaques.
- Quantified plaque area and plaque immune cell composition.

WORK EXPERIENCE

SOAR (Student Orientation, Advising, and Registration) Leader

April 2025 - Present

- Helped new, incoming students with the transition to college through leading a class by educating them about campus resources, and fostering a sense of belonging and connection to the college.
- Conducted 1:1 30 minute check ins with each student in the class each semester.
- Developed leadership, public speaking, communication, and group facilitation skills.

Learn To Be / Volunteer Tutor

November 2024 - Present

- Provided one-on-one tutoring to underserved students (ages 6-17) in subjects including mathematics, biology, chemistry, and physics, developing personalized lesson plans based on individual student needs, leading to improved understanding and academic performance. Assisted students resulting in improved scores.

Summer Babysitter

June 2023 - Present

- Provided supervision for children of various ages, ensuring their safety and well-being, and assisted with homework to help children develop academic skills.

ACTIVITIES/LEADERSHIP EXPERIENCE

Varsity Cross Country & Track and Field at St. Olaf College

August 2024 - Present

- Collaborated with teammates to achieve team and individual goals in competitive events, improving team performance and morale.
- Demonstrated discipline and time management by balancing an intense training schedule alongside academic responsibilities.
- Set and exceeded personal performance goals, consistently improving race times over the season.
- Competed in competitive regional and national races.
- Adapted to challenging environments, maintaining peak performance in various conditions.

Environmental Coalition Member

September 2025 - Present

- Supported sustainability and environmental justice initiatives on campus and in the community.

Volunteer Track and Field Coach at U-Track

2019-2021

- Volunteered as a club track and field coach for youth athletes in Utrecht in the Netherlands.
- Led age appropriate training activities and games that encouraged team work and enjoyment.
