Research Experience

Developmental Neuroscience Research Intern in the SYNC Lab (Erasmus University Rotterdam)

May 2026 - July 2026

- Coordinated participant scheduling and communication for MRI research sessions in the "Wat Vind Jij?" study.
- Facilitated MRI study visits by accompanying participants throughout the research process, obtaining study information, completing required documentation, and assisting with MRI session procedures.
- Collaborated with postdoctoral researchers to support participant management and study operations.

Undergraduate Research - Cardiac MRI Research (BIDMC/Harvard Medical School)

June 2025 - August 2025

- Researched prognostic value of right ventricular function in hypertrophic cardiomyopathy using cardiac MRI feature tracking and survival analysis.
- Primary author of accepted abstract submission for SCMR 2026.

Center for Interdisciplinary Research at St. Olaf College

September 2026 - May 2027

Lutgens Lab University of Amsterdam / Laboratory Assistant

June 2019 - September 2020

- Analyzed histological sections of atherosclerotic plaques.
- Quantified plaque area and plaque immune cell composition.

WORK EXPERIENCE

SOAR (Student Orientation, Advising, and Registration) Leader, St Olaf College

April 2025 - Present

- Helped new, incoming students with the transition to college through leading a class by educating them about campus resources, and fostering a sense of belonging and connection to the college.
- Conducted 1:1 30 minute check ins with each student in the class each semester.
- Developed leadership, public speaking, communication, and group facilitation skills.
- Earned CRLA International Peer Educator Certification

Statistics 172 and 272 Academic Tutor, St. Olaf College

September 2026 - Present

- Provide small-group tutoring to students in introductory and intermediate statistics courses, helping them with statistical reasoning and data analysis.

Statistics 172 Academic Grader, St. Olaf College

September 2026 - Present

- Evaluate and provide feedback on assignments and assessments for Statistics 172

Learn To Be / Volunteer Tutor

November 2024 - Present

- Provided one-on-one tutoring to underserved students (ages 6-17) in subjects including mathematics, biology, chemistry, and physics, developing personalized lesson plans based on individual student needs, leading to improved understanding and academic performance. Assisted students resulting in improved scores.

Summer Babysitter

June 2023 - Present

- Provided supervision for children of various ages, ensuring their safety and well-being, and assisted with homework to help children develop academic skills.

ACTIVITIES/LEADERSHIP EXPERIENCE

Varsity Cross Country & Track and Field, St. Olaf College

August 2024 - Present

- Collaborated with teammates to achieve team and individual goals in competitive events, improving team performance and morale, and competed in competitive regional and national races.
- Demonstrated discipline and time management by balancing an intense training schedule alongside academic responsibilities.

Environmental Coalition Member

September 2025 - Present

- Supported sustainability and environmental justice initiatives on campus and in the community.

Volunteer Track and Field Coach at U-Track

2019-2021

- Volunteered as a club track and field coach for youth athletes in Utrecht in the Netherlands.
- Led age appropriate training activities and games that encouraged team work and enjoyment.
